INTRODUCTION

Dear Sir,

On behalf of the entire team here at Aryu Enterprises Pvt.Ltd, We want to thank you for the opportunity to submit a proposal for creating a web application for your company medics academy. There are thousands of companies offering these services that you could have chosen, and yet here we are, with an opportunity to earn your business. I cannot underestimate how much we appreciate being able to put this proposal in front of you today.

At Aryu Enterprises Pvt.Ltd we believe in standing out. We stand out as a software company by insisting on pushing the boundaries of web application performance, and by delivering work of the highest quality on-time and on-budget. Our mission to stand out doesn't stop with our internal goals. After all, our clients' satisfaction is what keeps our doors open, and helping you stand out is the best way to make sure you're completely satisfied. We're committed to helping your brand stand out in a crowded market, against a sea of hungry competitors.

I've included a lot of detail in this proposal, because I want to make it abundantly clear that Aryu Enterprises Pvt.Ltd is one of the best software development companies in business today. You'll enjoy your brand standing out in a crowded market, against a sea of hungry competitors.

To make things simple for you, this proposal doubles as an executable contract. We've included all necessary terms of agreement at the end, and your electronic signature turns it into a binding project, allowing us to move forward with your website and mobile application project immediately.
